

FEWS news: issue 2, 2020

Dear Delft-FEWS user,

In this second FEWS newsletter for 2020, we present a summary of the latest news on the [Delft-FEWS portal](#), which has changed into its Spring theme. That is not the only change...

News

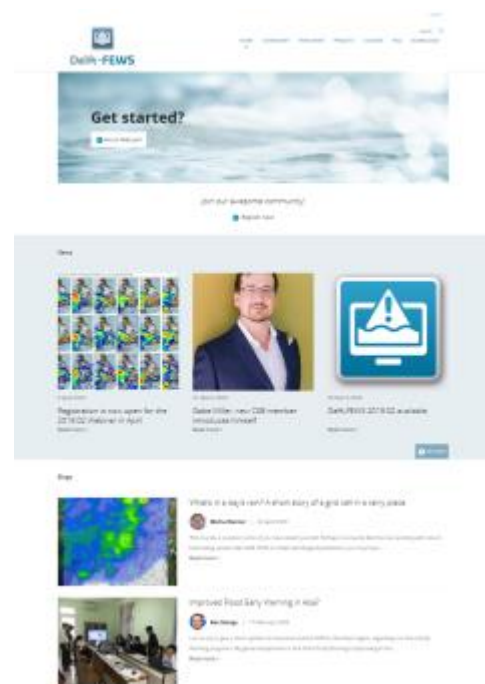

There is a news update about [2019.02 webinar](#) on April 29, where you can learn the particulars of working with the new features of the Delft-FEWS 2019.02 release. The newest member for the Community Strategy Board, [Gabe Miller](#), introduces himself. We've also shared an overview of everything you would like to know about the [Delft-FEWS 2019.02 stable version](#).

Blogs

Read an interesting and entertaining [Blog from Micha Werner](#) with a story of a grid cell in a rainy place.

Highlighted

The User Days in the Netherlands, in Germany and in Australia, will all be online events. More information will soon be available on the [events page](#). Additionally, Support and Maintenance information has been added to the [helpdesk page](#).

Coming soon! Awaiting its transformation into a modern layout, the [FEWS map](#) has been updated with the FEWS systems in Canada. If you have other updates or additions for the FEWS map, please contact [FEWS productmanagement](#).

We've also been making some small improvements to the portal. Recently, the portal font was adjusted to make the content easier to read. You might also notice the new ranking names on the forum. Your rank now references your predictive abilities. The 11th time you post, you will be promoted to the next rank!

Let's meet online!

Contact: fews-moderators@deltares.nl for all questions related to the Delft-FEWS portal.

Best regards,
